Today is the most memorable, special and long awaited day for the tiny tots of SMSE, Thiruverkadu because it's their "First Day at School". After so many days of learning on screen, this day brought in loads of happiness, excitement and an overwhelming smile as they meet everyone physically in school. Parents were eager to watch their ward's reaction while entering the school. All through their way to the classroom were embellished with beautiful balloon hangings, board decorations etc., It was too delightful to watch them recognizing and interacting with their friends and teachers in person. We hope that this day remains fresh in their minds and cherished forever in life.

WOMEN'S DAY CELEBRATION

We did prove it wrong once again through our women's day celebration on 5th March 2022, where all our teachers and non-teaching staff gathered to relish, rejoice and replenish the essence of womanhood !!!

All in pink, we observed Breast cancer awareness, clarified our doubts and learnt little life lessons through fun and games.

It was a day of self realization for our staff who are the nurtures of the world.
